

## CONDO VII -- MISSION STATEMENT

The Board will serve the homeowners by providing ethical and fiscal responsible solutions to promote a sense of community, to protect and enhance our property values and provide a safe and secure community and plan for the future.

Our vision is to ensure the quality of life in our neighborhood through management of common areas, enforcement of rules and covenants, support of initiatives that strengthen bonds among residents and investment in capital improvements.

In fulfilling our mission and achieving our vision we value transparency, honesty, fairness, firmness, equity, common sense, participation, respect, cooperation, and neighborliness in all our actions.
