

UPDATED NOTICE

FIRE ALARM TEST

Due to a delay from the Fire Department the fire alarm control panel inspections for **Buildings #2, #3 and #4** have been rescheduled.

The new inspection date is this Friday October 23, 2020 starting at 9:00AM.

Please note that access to your unit WILL NOT be required during this inspection.

Also note that the Fire Marshall will need to activate the building alarms and the sound will be

LOUD!

Apologizes for the inconvenience and thank you for your cooperation.
