

To residents of East Lake VII

The Board of Directors is following the COVID-19 recommendations very closely so we can make informed decisions regarding our community. We are also receiving updates from the national Condominium Institute of America who is issuing recommendations for Community Associations. Clearly, there are many things to consider.

Our next board meeting will be conducted via teleconferencing, rather than in person. (3/26; 6:30p. Please see separate notice).

The Open forum session normally held before the meetings is suspended. We will publish the unapproved meeting minutes within 48 hours and you may contact Board members with any questions, as always.

We are closing the pool until further notice starting on Monday, March23rd as recommended by the national guidelines and CDC.

Please continue to go to our website for information. We are updating the site regularly. The website is: elwcondo7.com

We encourage you to help each other when possible with grocery shopping, pharmacy pickups, and sharing resources! Please call or email any member of the board of directors if we can be of any assistance. You may also reply to this email address.

We will get through this and hopefully we can all look back with pride on how we conducted ourselves by our generosity and kindness to one another.

Thank you for your continued support.
ELW Condo VII Board of Directors
