

## POOL REOPENING NOTICE

### Friday, May 1st

Pinellas County commissioners have voted to allow communities to reopen their community pools with very specific guidelines. We are very happy to reopen the pool of Condo VII but we must follow all of the orders and recommendations for the safety of our residents.

The recommendations/orders from Pinellas County that we must ensure to remain open:

1. The number of patrons in and around the pool area must not exceed 50% of your bathing load. Our bathing load is 15 so 50% would be max of 8 people in the pool area at a time.
2. All users must follow CDC social distancing guidelines by staying six feet away from anyone they don't live with and not congregating in groups of more than 10 people. As mentioned, pool facilities must limit their occupancy to 50% of posted capacity so groups of 10 people does not apply in our case since we can only have 8 people in the pool area at any given time.
3. Pinellas County Sheriff's deputies, as well as local law enforcement officers, will verify compliance throughout the county and respond to any tips sent to the Sheriff's Tip Line- 727-582-8477. If a community pool is in violation of the social distancing orders, the community will be fined and the Sheriff's department has the authority to close the pool.
4. Ensure proper cleaning measures are in place. Clean and disinfect all hard surfaces of pool furniture, gate latches, handrails, and any other surface subject to patron contact prior to opening the pool each day and at regular intervals while the pool is open. Clean and disinfect restrooms prior to opening and at regular intervals while the pool is open.
5. Ill patrons should not be permitted in the pool or on the deck area.

---

In addition to the orders given by the county, we are asking all of our residents to comply with the following:

1. Please practice safe hygiene. Please wipe down the pool furniture before and after your use. This will keep us in compliance with cleaning surfaces at regular intervals during the day.
2. Please be mindful of your neighbors. Limit your time at the pool to 1-2 hours so everyone has access.
3. Only current residents have access to the pool. No guests.
4. Please bring an extra towel to cover the lounge chairs after cleaning as an added protection.
5. Bring your own floats, noodles, etc. to use and take them home with you after use.

The Board of Directors is committed to following the guidelines published by the County and Board of Health.

**Thank you for your cooperation!**
