- (1)** 10 days before the effective date of cancellation if we cancel for nonpayment of premium; or

b. For More Than 90 Days

If this policy has been in effect for more than 90 days, we may cancel this policy only for one or more of the following reasons:

- (2)** The policy was obtained by a material misstatement;

- (3) Failure to comply with underwriting requirements established by the insurer within 90 days of the effective date of coverage;
- (4) A substantial change in the risk covered by the policy; or
- (5) The cancellation is for all insureds under such policies for a given class of insureds.
- (6) On the basis of property insurance claims that are the result of an act of God, if we can demonstrate, by claims frequency or otherwise, that you have failed to take action reasonably necessary as requested by us to prevent recurrence of damage to the insured property;
- (7) On the basis of filing of claims for partial loss caused by sinkhole damage, or on the basis of the risk associated with the occurrence of such a claim, if:
 - (a) The total of such property insurance claim payments for this policy exceeds the current policy limits of coverage for property damage; or
 - (b) You have failed to repair the structure in accordance with the engineering recommendations upon which any loss payment or policy proceeds were based; or

If the return premium is not refunded with the notice of cancellation or when this policy is returned to us, we will mail the refund within 15 working days after the date cancellation takes effect, unless this is an audit policy.

If this is an audit policy, then, subject to your full cooperation with us or our agent in securing the necessary data for audit, we will return any premium refund due within 90 days of the date cancellation takes effect. If our audit is not completed within this time limitation, then we shall accept your own audit, and any premium refund due shall be mailed within 10 working days of receipt of your audit.

**POLICYHOLDER DISCLOSURE
NOTICE OF TERRORISM INSURANCE COVERAGE AND
CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM**

Coverage for acts of terrorism is included in your policy. You are hereby notified that under the Terrorism Risk Insurance Act (the "Act") effective December 26, 2007, the definition of act of terrorism has changed. Terrorism is defined as any act certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States Mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

Under your coverage, any losses resulting from certified acts of terrorism may be partially reimbursed by the United States Government under a formula established by the Act. However, your policy may contain other exclusions which might affect your coverage, such as exclusion for nuclear events. Under the formula, the United States Government generally reimburses 85% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage.

The portion of your annual premium that is attributable to coverage for acts of terrorism is _____, and does not include any charges for the portion of losses covered by the United States government under the Act.

If your policy provides commercial property insurance in a jurisdiction that has a statutory standard fire policy, the premium shown above includes an amount attributable to the insurance provided pursuant to that statutory standard fire policy, which cannot be rejected.

That amount is \$ _____

If aggregate insured losses attributable to terrorist acts certified under the Act exceed \$100 billion in a Program Year (January 1 through December 31) and we have met our insurer deductible under the Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

Under the Act, you have thirty (30) days from the date of this notice to consider whether or not you wish to maintain insurance for terrorism losses covered by the Act.

If you elect not to maintain this insurance, please so indicate by placing an "X" in the space provided on the next page, sign and return this disclosure notice to your agent or broker as soon as possible. By electing not to maintain this insurance, you agree that we may attach a terrorism exclusion or sublimits to your policy. If you do not sign and return this disclosure notice, you will be deemed to have decided to maintain this insurance, subject to the next paragraph.

If you elect to maintain this insurance, you must pay the premium disclosed above, otherwise we will avail ourselves of our normal remedies for nonpayment of premium, including cancellation of your policy in accordance with its terms.

**NUCLEAR, BIOLOGICAL OR CHEMICAL EXCLUSION
(EXCEPTION COVERING CERTAIN FIRE LOSSES)**

This endorsement modifies insurance provided under this Policy

SCHEDULE

The Exception Covering Certain Fire Losses applies to property located in the following state(s), if covered under the indicated Policy:

State(s)
Information required to complete this Schedule, if not shown above, will be shown in the Declarations for this Policy.

In consideration of the premium charged, it is agreed that:

A. The following definition is added and applies under this endorsement wherever the term terrorism is enclosed in quotation marks.

"Terrorism" means activities against persons, organizations or property of any nature:

- 1.** That involve the following or preparation for the following:
 - a.** Use or threat of force or violence; or
 - b.** Commission or threat of a dangerous act; or
 - c.** Commission or threat of an act that interferes with or disrupts an electronic, communication, information, or mechanical system; and
- 2.** When one or both of the following applies:
 - a.** The effect is to intimidate or coerce a government or the civilian population or any segment thereof, or to disrupt any segment of the economy; or
 - b.** It appears that the intent is to intimidate or coerce a government, or to further political, ideological, religious, social or economic objectives or to express (or express opposition to) a philosophy or ideology.

B. The following exclusion is added:

Exclusion Of Terrorism

We will not pay for loss or damage caused directly or indirectly by "terrorism", including action in hindering or defending against an actual or expected incident of "terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. **But this exclusion applies only when one or more of the following are attributed to an incident of "terrorism":**

1. The "terrorism" is carried out by means of the dispersal or application of radioactive material, or through the use of a nuclear weapon or device that involves or produces a nuclear reaction, nuclear radiation or radioactive contamination; or
2. Radioactive material is released, and it appears that one purpose of the "terrorism" was to release such material; or
3. The "terrorism" is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
4. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the "terrorism" was to release such materials.

C. Exception Covering Certain Fire Losses

The following exception to the Exclusion Of Terrorism applies only if indicated and as indicated in the Schedule of this endorsement.

If "terrorism" results in fire, we will pay for the loss or damage caused by that fire, subject to all applicable policy provisions including the Limit of Insurance on the affected property. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements that apply to those coverage forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

D. Application Of Other Exclusions

1. When the Exclusion Of Terrorism applies in accordance with the terms of **B.1.** or **B.2.**, such exclusion applies without regard to the Nuclear Hazard Exclusion in this Coverage Form, Coverage Part or Policy.
2. The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss or damage which would otherwise be excluded under this Coverage Form, Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

ALL OTHER TERMS, CONDITIONS AND EXCLUSIONS REMAIN UNCHANGED.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

TERRORISM EXCLUSION
(EXCEPTION COVERING CERTAIN FIRE LOSSES)

This endorsement modifies insurance provided under this Policy

SCHEDULE

The Exception Covering Certain Fire Losses applies to property located in the following state(s), if covered under the indicated Policy:

State(s)
Information required to complete this Schedule, if not shown above, will be shown in the Declarations for this Policy.

In consideration of the premium charged, it is agreed that:

A. The following definition is added and applies under this endorsement wherever the term terrorism is enclosed in quotation marks.

"Terrorism" means activities against persons, organizations or property of any nature:

1. That involve the following or preparation for the following:
 - a. Use or threat of force or violence; or
 - b. Commission or threat of a dangerous act; or
 - c. Commission or threat of an act that interferes with or disrupts an electronic, communication, information, or mechanical system; and
2. When one or both of the following applies:
 - a. The effect is to intimidate or coerce a government or the civilian population or any segment thereof, or to disrupt any segment of the economy; or
 - b. It appears that the intent is to intimidate or coerce a government, or to further political, ideological, religious, social or economic objectives or to express (or express opposition to) a philosophy or ideology.

B. The following exclusion is added:

EXCLUSION OF TERRORISM

We will not pay for loss or damage caused directly or indirectly by "terrorism", including action in hindering or defending against an actual or expected incident of "terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. **But this exclusion applies only when one or more of the following are attributed to an incident of "terrorism":**

1. The "terrorism" is carried out by means of the dispersal or application of radioactive material, or through the use of a nuclear weapon or device that involves or produces a nuclear reaction, nuclear radiation or radioactive contamination; or

2. Radioactive material is released, and it appears that one purpose of the "terrorism" was to release such material; or
3. The "terrorism" is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
4. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the "terrorism" was to release such materials; or
5. The total of insured damage to all types of property in the United States, its territories and possessions, Puerto Rico and Canada exceeds \$25,000,000. In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the "terrorism" and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions. Multiple incidents of "terrorism" which occur within a 72-hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one incident, for the purpose of determining whether the threshold is exceeded.

With respect to this item **B.5.**, the immediately preceding paragraph describes the threshold used to measure the magnitude of an incident of "terrorism" and the circumstances in which the threshold will apply, for the purpose of determining whether this Exclusion will apply to that incident. When the Exclusion applies to an incident of "terrorism", there is no coverage under this Coverage Form, Coverage Part or Policy.

C. Exception Covering Certain Fire Losses

The following exception to the Exclusion Of Terrorism applies only if indicated and as indicated in the Schedule of this endorsement.

If "terrorism" results in fire, we will pay for the loss or damage caused by that fire, subject to all applicable policy provisions including the Limit of Insurance on the affected property. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements that apply to those coverage forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

D. Application Of Other Exclusions

1. When the Exclusion Of Terrorism applies in accordance with the terms of **B.1.** or **B.2.**, such exclusion applies without regard to the Nuclear Hazard Exclusion in this Coverage Form, Coverage Part or Policy.
2. The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss or damage which would otherwise be excluded under this Coverage Form, Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

ALL OTHER TERMS, CONDITIONS AND EXCLUSIONS REMAIN UNCHANGED.

DIFFERENCE IN CONDITIONS COVERAGE FORM

- i. Personal property while airborne or waterborne;
- j. Bulkheads, pilings, piers, wharves or docks;
- k. Property that is covered under another coverage form of this or any other policy in which it is more specifically described, except for the excess of the amount due (whether you can collect on it or not) from that other insurance;
- l. Retaining walls that are not part of a building;
- m. Underground pipes, flues or drains;
- n. Vehicles or self-propelled machines (including aircraft or watercraft) that are licensed for use on public roads or are operated principally away from the described premises.

This paragraph does not apply to:

- (1) Vehicles or self-propelled machines or autos you manufacture, process or warehouse;
- (2) Vehicles or self-propelled machines, other than autos, you hold for sale; or
- (3) Rowboats or canoes out of water at the described premises; or

- o. The following property while outside of buildings:

- (1) Grain, straw or other crops; or
- (2) Fences, radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, signs (other than signs attached to buildings), trees, shrubs or plants (other than "stock" of trees, shrubs or plants).

3. Covered Causes Of Loss

Covered Causes of Loss means Direct Physical Loss Or Damage to Covered Property except those causes of loss listed in the Exclusions.

4. Additional Coverages

a. Debris Removal

- (1) We will pay your expenses to remove debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) The amount we pay for the direct physical loss or damage to Covered Property is 25% of:
 - (a) The amount we pay for the direct physical loss or damage to Covered Property; plus
 - (b) The deductible in this policy applicable to that loss or damage.
- (3) This Additional Coverage does not apply to costs to:
 - (a) Extract "pollutants" from land or water; or
 - (b) Remove, restore or replace polluted land or water.

b. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$1,000, unless a higher limit is shown in the Declarations. Such limit is the most we will pay regardless of the number of responding fire departments or fire units, and regardless of the number or type of services performed.

This Additional Coverage applies to your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

No deductible applies to this Additional Coverage.

c. Preservation Of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

d. Pollutant Cleanup And Removal

We will pay your expenses to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is \$10,000 for the sum of all such expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

The limit for this Additional Coverage is in addition to the Limit of Insurance.

e. Limited Coverage For "Fungi", Wet Rot And Dry Rot

- (1) The coverage described in Paragraphs (2) and (5) only applies when "fungi", or wet or dry rot is the result of one or more of the Covered Causes of Loss, except fire or lightning, that occur during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after the time of the occurrence.
- (2) We will pay for loss or damage to Covered Property by "fungi", or wet or dry rot. As used in this Limited Coverage, the term loss or damage means:
 - (a) Direct physical loss or damage to Covered Property caused by "fungi", or wet or dry rot, including the cost of removal of the "fungi", or wet or dry rot;
 - (b) The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungi", or wet or dry rot; and
 - (c) The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungi", or wet or dry rot is present.
- (3) Unless a higher Limit of Insurance for this coverage is shown in the Declarations, the most we will pay is \$15,000 for loss or damage to Covered Property. Regardless of the number of claims, this Limit of Insurance is the most we will pay for the total of all loss or damage arising out of all occurrences of Covered Causes of Loss (other than fire or lightning) which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungi", or wet or dry rot, we will not pay more than a total of \$15,000 even if the "fungi", or wet or dry rot continues to be present or active, or recurs, in a later policy period.

If the Declarations indicate that the Separate Locations Option applies, then the amount of coverage (\$15,000, unless a higher amount is shown in the Declarations) is made applicable to separate locations as described in the Declarations. For each location so described, the amount of coverage is an annual aggregate limit, subject to the terms set forth above in this Paragraph **(3)**.

- (4)** The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungi", or wet or dry rot, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungi", or wet or dry rot, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungi", or wet or dry rot causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

- (5)** The following, **(5)(a)** or **(5)(b)**, applies only if Business Income and/or Extra Expense Coverage applies and only if the suspension of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage Form.

- (a)** If the loss which resulted in "fungi", or wet or dry rot does not in itself necessitate a suspension of "operations" but such suspension is necessary due to loss or damage to property caused by "fungi", or wet or dry rot, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days, or the number of days shown in the Declarations. The days need not be consecutive.

- (b)** If a covered suspension of "operations" was caused by loss or damage other than "fungi", or wet or dry rot but remediation of "fungi", or wet or dry rot prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days, or the number of days shown in the Declarations. The days need not be consecutive.

5. Coverage Extensions

- (1)** You may extend the insurance that applies to building to apply to:

The most we will pay for loss or damage under this Extension is \$250,000 at each building.

We will charge you additional premium for values reported from the date construction begins or you acquire the property.

You may extend the insurance that applies to your Business Personal Property to apply to your costs to research, replace or restore the lost information on lost or damaged valuable papers and records, including those which exist on electronic or magnetic media, for which duplicates do not exist. The most we will pay under this Extension is \$2,500 at each described premises, unless a higher limit is shown in the Declarations.

- (1) When "fungi", or wet or dry rot results from fire or lightning; or

Any virus, bacterium or other microorganism that induces or is capable of inducing physical distress, illness or disease.

However, this exclusion does not apply to loss or damage caused by or resulting from "fungi", wet rot or dry rot. Such loss or damage is addressed in the previous exclusion.

The terms of this exclusion, or the inapplicability of this exclusion to a particular loss, does not serve to create coverage for any loss that would otherwise be excluded under this Coverage Part.

This exclusion applies to all coverage under all forms and endorsements that comprise this Coverage Part, including but not limited to forms or endorsements that cover business income, extra expense or action of civil authority.

Exclusions **B.1.a.** through **B.1.e.** apply whether or not the loss event results in widespread damage or affects a substantial area.

 - q. Neglect of an insured to use all reasonable means to save and preserve property from further damage at and after the time of loss.
3. We will not pay for loss or damage caused by or resulting from any of the following. But if loss or damage by a Covered Cause of Loss results, we will pay for the loss or damage caused by that Covered Cause of Loss.

2. The limits applicable to:

 - b. Additional Coverage **A.4.d.** Pollutant Cleanup And Removal;
 are in addition to the Limit of Insurance.
3. Payments under the following Additional Coverages will not increase the applicable Limit of Insurance:
 - a. Debris Removal **A.4.a.**, but if:
 - (1) The sum of direct physical loss or damage and debris removal expense exceeds the Limit of Insurance; or
 - (2) The debris removal expense exceeds the amount payable under the 25% limitation in the Debris Removal Additional Coverage;
 we will pay up to an additional \$10,000 for each location in any one occurrence under the Debris Removal Additional Coverage;
 - b. Fire Department Service Charge **A.4.b.**; or
 - c. Preservation Of Property **A.4.c.**

D. Deductible

We will then pay the amount of the adjusted loss or damage in excess of the Deductible, up to the applicable Limit of Insurance.

Specific deductibles apply to:

1. "Water Damage"; and
2. Earthquake.

All earthquake shocks that occur within a 168-hour period following the earthquake will constitute a single earthquake occurrence.

E. Additional Conditions

1. The **Valuation** General Condition in the Commercial Inland Marine Conditions is replaced by the following:

We will determine the value of Covered Property in the event of loss or damage as follows:

 - a. At actual cash value as of the time of loss or damage, except as provided in Paragraphs **b.**, **c.**, **d.**, **e.** and **f.** below.
 - b. If the cost to repair or replace the damaged building is \$2,500 or less, we will pay the cost of building repairs or replacement.

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property. However, the following property will be valued at the actual cash value even when attached to the building:

- (1) Awnings or floor coverings;
 - (2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or

 - (2) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:
 - (a) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
 - (b) Divide the amount determined in Paragraph (a) by the number of days from the installation of improvements to the expiration of the lease.
 If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in the procedure.
 - (3) Nothing if others pay for repairs or replacement.
 - f. Valuable Papers and Records, including those which exist on electronic or magnetic media (other than prepackaged software programs), at the cost of:
 - (1) Blank materials for reproducing the records; and

 except as provided in the Coverage Extension.

2. The following conditions apply in addition to the Commercial Inland Marine Conditions and the Common Policy Conditions:

a. Underlying Insurance

(1) The insurance afforded by each policy of underlying insurance described in the Declarations will be maintained for the full term of this insurance. As each policy expires you will renew it at limits and for causes of loss equal to or greater than the expiring limits and causes of loss.

(2) If you fail to comply with the provisions in Paragraph (1), we will pay only to the extent that we would have paid had you complied with the requirements in Paragraph (1).

b. Coverage Territory

We cover property wherever located within:

- (1) The United States of America (including its territories and possessions);
- (2) Puerto Rico; and
- (3) Canada.

c. Protective Safeguards

If you fail to keep the protective safeguards:

coverage for which the protective safeguards apply is automatically suspended at that location. This suspension will last until equipment or services are back in operation.

2. This Optional Coverage does not apply to:

- d. Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac; or

e. "Stock", unless the including "stock" option is shown in the Declarations.

3. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.

4. We will not pay on a replacement cost basis for any loss or damage:

- a. Until the lost or damaged property is actually repaired or replaced; and
- b. Unless the repairs or replacement is made as soon as reasonably possible after the loss or damage.

5. We will not pay more for loss or damage on a replacement cost basis than the least of **a.**, **b.** or **c.**, subject to Paragraph 6. below:

- a. The Limit of Insurance applicable to the lost or damaged property;
- b. The cost to replace, on the same premises, the lost or damaged property with other property:

If a building is rebuilt at a new premises, the cost described in Paragraph **b.** is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.

COMMERCIAL INLAND MARINE CONDITIONS

The following conditions apply in addition to the Common Policy Conditions and applicable Additional Conditions in Commercial Inland Marine Coverage Forms:

LOSS CONDITIONS

A. Abandonment

There can be no abandonment of any property to us.

B. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

1. Pay its chosen appraiser; and
2. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

C. Duties In The Event Of Loss

You must see that the following are done in the event of loss or damage to Covered Property:

1. Notify the police if a law may have been broken.
2. Give us prompt notice of the loss or damage. Include a description of the property involved.
3. As soon as possible, give us a description of how, when and where the loss or damage occurred.
4. Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.

5. You will not, except at your own cost, voluntarily make a payment, assume any obligation, or incur any expense without our consent.

6. As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

7. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

8. Send us a signed, sworn proof of loss containing the information we request to settle the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.

9. Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or suit.

10. Cooperate with us in the investigation or settlement of the claim.

D. Insurance Under Two Or More Coverages

If two or more of this policy's coverages apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.

E. Loss Payment

1. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
2. We will not pay you more than your financial interest in the Covered Property.
3. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claim against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
4. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.

5. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss if you have complied with all the terms of this Coverage Part and:
 - a. We have reached agreement with you on the amount of the loss; or
 - b. An appraisal award has been made.
6. We will not be liable for any part of a loss that has been paid or made good by others.

F. Other Insurance

1. You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this Coverage Part. If you do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limit of Insurance under this Coverage Part bears to the Limits of Insurance of all insurance covering on the same basis.
2. If there is other insurance covering the same loss or damage, other than that described in 1. above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.

G. Pair, Sets Or Parts

1. Pair Or Set

In case of loss or damage to any part of a pair or set we may:

- a. Repair or replace any part to restore the pair or set to its value before the loss or damage; or

2. Parts

In case of loss or damage to any part of Covered Property consisting of several parts when complete, we will only pay for the value of the lost or damaged part.

H. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

I. Reinstatement Of Limit After Loss

The Limit of Insurance will not be reduced by the payment of any claim, except for total loss or damage of a scheduled item, in which event we will refund the unearned premium on that item.

J. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this Coverage Part has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

1. Prior to a loss to your Covered Property.
2. After a loss to your Covered Property only if, at time of loss, that party is one of the following:
 - a. Someone insured by this insurance; or
 - b. A business firm:
 - (1) Owned or controlled by you; or
 - (2) That owns or controls you.

This will not restrict your insurance.

1. There has been full compliance with all the terms of this Coverage Part; and

We cover loss or damage commencing:

1. During the policy period shown in the Declarations; and
2. Within the coverage territory.

F. Valuation

The value of property will be the least of the following amounts:

1. The actual cash value of that property;

2. The cost of reasonably restoring that property to its condition immediately before loss or damage; or
3. The cost of replacing that property with substantially identical property.

In the event of loss or damage, the value of property will be determined as of the time of loss or damage.
